"You were the best vendors from our wedding. Everyone is still talking about how much fun they had and what a 'neat' idea it was. Our scrapbook was awesome and we will treasure it forever. Thanks for making our wedding complete."
--Sonya K, Maryville

"I can't tell you how many times I've been told how great it was that we had a photo booth at the wedding. It's easy to get selfish and build the wedding completely around yourselves. Your product was such a wonderful surprise for our guests, and made the entire event so much more fulfilling for everyone."
